

## Offline Map App Privacy Policy

Last updated: 10 Sept 2018

### Applicability

This policy is applicable to all OfflineMaps.co.uk mobile device applications (“the Apps”) that provide offline map capabilities.

### Policy

1. All Apps request permission to use the mobile device location services on first running the application.
2. If the user permits the use of location services, they are only used when the application is running, i.e. not in background mode.
3. The location is only used to display the current location on the displayed map.
4. The location is NOT recorded nor made available to any external device or program.
5. The Apps will NOT access any other personal data or facilities on the device including, but not limited to, the following:
  - a. Camera.
  - b. Contacts list.
  - c. Phone.
  - d. Photos and videos.
  - e. Shared files.
6. The Offlinemaps.co.uk website (“the Site”) does not use cookies.
7. Any requests or queries posted to the Site are responded to and then permanently deleted, no personal data is recorded or maintained in any format whatsoever.
8. The Apps and the Site do not use any third party services that could have access to your data.

If you have any queries or suggestions regarding our policy please do not hesitate to contact use via our contacts page:
